How to Determine Your Rate:

Identify the area you reside in. Determine your rates based on your age:

Rates for Classic F Plan are based on your Attained Age. Your premiums will change as you change age groups.

Rates for the AdvantageCare Rider are based on Issue Age. Your premiums will always be based on the age you are when your policy is issued.

Combine the two rates. This is your monthly premium amount.

Billing Information:

Your initial premium is for one (1) month's payment and will be due upon enrollment. We will bill you bimonthly (every 2 months) thereafter, unless you returned your Monthly Checking Account Deduction Authorization with your application.
