How to Determine Your Rate:

Identify the category (Member Only or Member and Spouse) to which you belong, as well as the area you reside in. The Member Only rate is based on your age, as of the effective date of the policy. The Member and Spouse rate is based on the age of the older spouse, as of the effective date of the policy.

To be eligible for two-party (Member & Spouse) rates, applicants must 1) enroll during their initial six-month Medicare Guarantee Issue period or, 2) enroll within six months of terminating their Group policy or, 3) pass underwriting (both the Member and the Spouse).

Billing Information:

Your initial premium is for one (1) month's payment and will be due upon enrollment. We will bill you bimonthly (every 2 months) thereafter, unless you return your Monthly Checking Account Deduction Authorization with your application.
